

**JANUARY 23, 2025**

**12H30 - 13H30 – VIRTUAL FORMAT (WEBEX)**

# **SCOHPICA Informal caregivers: First results of the pilot study**

As a part of the SCOHPICA (Swiss COhort of Health Professionals and Informal CAREgivers) cohort symposium series, we are pleased to invite you to the conference presented by

**LUCIE ESCASAIN**

*PhDc, Research assistant, Unisanté*

**ANNIE OULEVEY BACHMANN**

*Full professor at La Source School of Nursing, HES-SO & Co-leader of SCOHPICA*

*On behalf of SCOHPICA Team*

In spring 2024, the pilot baseline questionnaire was launched and collected data from informal caregivers (ICs) in Switzerland. In this presentation, we will discuss the implementation of this study and its implications. We will also present descriptive results, providing us insights into the characteristics of ICs as well as their current situation and well-being. The acceptability and feasibility of this study will also be explored in the light of future data collection.

Language: English
